Who is Getac?

Founded in 1989 as a joint venture between GE Aerospace and MiTAC, Getac has been a pioneer and innovator in the rugged mobile computing industry. Getac provides premier fully rugged and semi-rugged notebooks, tablet PC and handheld solutions designed for use in extreme conditions.

Getac is a strategic company under the MiTAC Synnex Group. Together, the MiTAC Synnex Group recorded \$18.3 billion USD in 2009. Getac Technology Corporation is a publicly traded company (3005:TSE). Getac provides solutions for the military, law enforcement, public safety, utility, telecommunication, manufacturing, field service and mobile workforce industries.

Apart from the rugged computing business, Getac is also involved with the design and manufacture of plastic and lightweight metal components. The acquisition of Waffer Technology in 2009 has made Getac the world's third largest aluminum-magnesium alloy producer.

Getac's Exclusive QuadraClear™ Technology Breaks New Ground

Screen Brightness and Anti-Reflective Technology Combine to Enable Daylight Viewability Six Times Better Than Competitive Solutions Getac's QuadraClear solution combines proprietary technologies for both screen brightness and anti-reflectivity to overcome the limitations of reading displays in bright sunlight that can easily make most screens nearly unusable.

For QuadraClear, Getac created a display backlight based on a highly-efficient LED light source to replace the cold cathode fluorescent lamps (CCFLs) that are commonly used. The less diffused light from an LED enables a power-efficient, super-bright display operating up to 1,400 NITs, without sacrificing battery life. Add a combination of Anti-reflective coatings, linear and circular polarizers to the strong LED backlight and you have a QuadraClear display.

QuadraClear technology enables display viewability that is more than six times better than competing solutions, while still maintaining the battery life required in a mobile device.

Every new Getac fully rugged notebook and tablet computers are covered by the industry's best 5 year bumper-to-bumper warranty. Enjoy peace of mind knowing that your new Getac fully rugged notebook is covered by a 5 year warranty that includes damage that occurs due to accidental acts and exposure to environmental conditions. Full Products Line

Built for professionals in the field. Built to Survive.

Getac B300

Fully Rugged Notebook – 13.3 inch

- ▶ Powered by an Intel® Core™ i7 processor.
- ▶ 1400 NITs QuadraClear™ touchscreen display.
- ▶ Up to 22 hours battery life with dual batteries.
- ▶ MIL-STD 810G and IP65 compliant.
- ▶ 5 year bumper-to-bumper warranty.

Getac M230

Fully Rugged Notebook – 15 inch

- ▶ Optional nVidia graphics.
- ▶ Sunlight readable LCD screen.
- ▶ Full magnesium alloy case / fan-less design.
- ▶ MIL-STD 810G and IP65 compliant.
- ▶ 5 year bumper-to-bumper warranty.

Getac V100

Fully Rugged Convertible – 10.4 inch

- ▶ Powered by an Intel® Core™ i7 processor.
- ▶ 1200 NITs QuadraClear™ touchscreen display.
- ▶ Full-size 83-key keyboard.
- ▶ MIL-STD 810G and IP65 compliant.
- ▶ 5 year bumper-to-bumper warranty.

Getac E100

Fully Rugged Tablet – 8.4 inch

- ▶ 800 NITs Sunlight readable touchscreen display.
- ▶ Lightweight design – 3 lbs.
- ▶ Full magnesium alloy case / fan-less design.
- ▶ MIL-STD 810G and IP65 compliant.
- ▶ 5 year bumper-to-bumper warranty.

Getac V200

Fully Rugged Convertible – 12.1 inch

- ▶ Powered by an Intel® Core™ i7 processor.
- ▶ 1200 NITs QuadraClear™ touchscreen display.
- ▶ Full-size 88-key keyboard.
- ▶ MIL-STD 810G and IP65 compliant.
- ▶ 5 year bumper-to-bumper warranty.

Getac 9213

Business Rugged Notebook – 13 inch

- ▶ Full magnesium alloy case.
- ▶ Shock mounted HDD and LCD.
- ▶ Spill-resistant keyboard and touchpad.
- ▶ Opt. 2nd battery for up to 12 hour battery life.
- ▶ Lightweight design – 3.75 lbs.

Getac S400

Semi-Rugged Notebook – 14 inch

- ▶ Meets MIL-STD 810G for shock / vibration / temperature.
- ▶ Customizable Quick Keys.
- ▶ TPM 1.2 and fingerprint scanner.
- ▶ Sunlight readable multi-touch touchscreen display.
- ▶ Water-resistant backlit mechanical keyboard.

Getac PS236

Fully Rugged Handheld

- ▶ MIL-STD 810G and IP67 Compliant.
- ▶ Microsoft Windows Mobile® 6.1.
- ▶ 3.5G WWAN, RS232, USB OTG & SDIO/SDHC Slot.
- ▶ Field Swappable Long Life Li-Ion Battery.
- ▶ High Sensitivity GPS Receiver / 3MP Camera.

Getac A790

Ultra Rugged Notebook – 14.1 inch

- ▶ Thick magnesium alloy case / fan-less design.
- ▶ MIL-STD 810G and IP65 compliant.
- ▶ Customizable expansion bays.
- ▶ Optional PCI/PCle expansion chassis.
- ▶ 5 year bumper-to-bumper warranty.

Getac PS535F

Fully Rugged PDA

- ▶ MIL-STD 810G and IP65 Compliant.
- ▶ Microsoft Windows Mobile® 6.5.
- ▶ E-Compass, Altimeter & 3MP Camera.
- ▶ Embedded high Sensitivity GPS Receiver.
- ▶ Long Battery Life Provides All-day Power.

Getac recommends Windows 7
