

Havis® Vehicle Specific Consoles

2006-2010 Ford Explorer

Part # C-VS-1600-EXPL

C-VS-1600-EXPL shown with optional accessory pocket and mic clip bracket

This new vehicle-specific OEM replacement console provides professional and custom appearance. The console is manufactured from laser cut steel to precisely fit OEM dash trim and floor shifter. The formed steel housing and extruded aluminum top frame provide strength for mounting up to 16" of emergency equipment.

Value & Convenience

Each console comes standard with 2 lighter outlets with caps & a dual cup holder slotted for mug handle.

Easy Installation

Simply unbolt the OEM console and replace with the C-VS-1600-EXPL. Console is designed to use existing OEM mounting brackets. No drilling or modification to vehicle or OEM console is required.
