

ASSAULT-ONE

Specially Developed To Enhance Mobility...

...improve shooter accuracy and provide maximum load bearing capabilities, the Assault-One can adapt to any tactical mission with split-second precision. Available with all Point Blank Level IIIA side-opening ballistic systems and rigorously tested to endure the rigors of training, the Assault-One offers the ultimate combination of protection, functionality and performance.

Features

Side-opening construction with enhanced adjustability at the waist

Self-Suspending Ballistic System keeps ballistic panels in place

Internal elastic cummerbund to ensure a close and comfortable fit for load bearing support

Contoured chest construction designed to enhance shooter accuracy and eliminate "hugging a barrel" effect when shooting on the move

True "A" frame drag strap

Hidden, dual front "kangaroo" pockets, capable of securing AR15, M16 or similar magazines

Integrated plate retention system provides greater stabilization and even weight distribution

Front and back top loading plate pocket system accommodates 8" x 10" or 10" x 12" hard armor plates

Side plate pocket system accommodates 5" x 8" plates for additional side trauma protection

Maximum MOLLE Compatible Load Bearing Webbing System

Available colors: Black, Coyote, OD Green, Ranger Green and Multi-Cam
