

# CONCEALABLE BODY ARMOR

## HI-LITE FEMALE

### With DryRun™ Technology

**Hi-Lite** concealable carriers feature high performance comfort fabrics called DryRun®, which utilizes Sorbtek® permanent moisture management and environmentally safe A.M.Y.® antimicrobial yarns. Through its Catch/Move/Release technology, DryRun® provides up to 6 times more moisture movement capacity than standard nylon, polyester and other moisture wicking fabrics. Less bacteria also means less odor through A.M.Y.®, which permanently inhibits the growth of odor causing bacteria on fabrics.

Contoured shape allows optimal mobility and maneuverability

Lightweight, flexible design offers around the clock comfort and protection

Smart Seam™ construction comfortably supports the bust and accommodates different measurements

Self Suspending Ballistic System™ (SSBS) prevents rolling and sagging of ballistic panels inside the carrier

Adjustable side straps offer 8-point adjustability

Durable Water Repellent (DWR) micro-fiber outershell

Dry Run® moisture management system moves moisture away from the body and helps keep you dry and comfortable

Plate pockets in the front and back accommodate 6"x8", 7"x9" or 8"x10" SPEED Plates

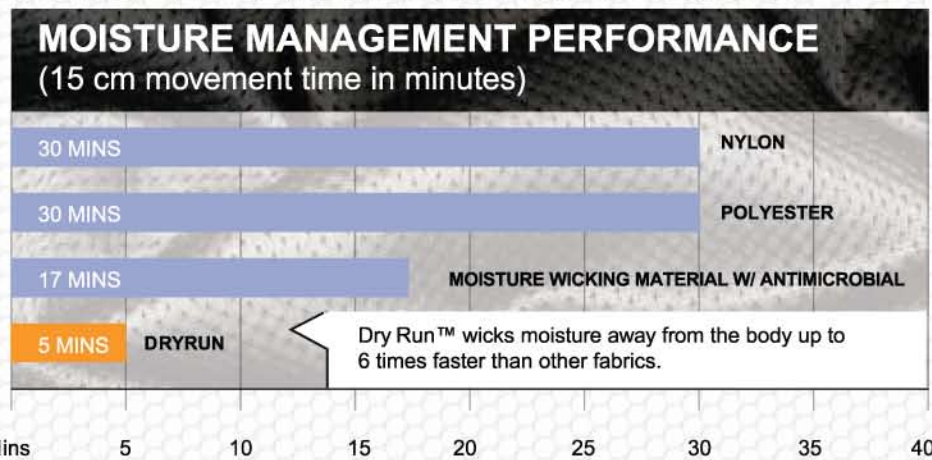

Removable internal cummerbund

Narrow cut, shirt-tail construction or optional no tail

Additional protection - includes 5"x8" Soft Trauma Insert

Available in MX4

Available colors:  
Black, White, Navy & Tan

Available with ARMORVENT  
(Retrofit Kit Option)  
Featuring EVAP™ Technology
