

CONCEALABLE BODY ARMOR

STANDARD MALE

Male Features

Durable outershell is constructed of first quality, dimensionally stable 65% polyester/35% cotton fabric with a soil resistant finish

Integrated carrier design provides comprehensive protective coverage with enhanced mobility

Removable 2"x12" waist straps provide 8-point adjustability - optional 4"x12" straps available

Self-Suspending Ballistic System™ (SSBS) prevents rolling and sagging of ballistic panels

Plate pockets in the front and back accommodate 5"x8" Trauma inserts as well as 6"x8", 7"x9" or 8"x10" SPEED Plates for additional blunt trauma protection

Removable internal cummerbund stabilizes rear ballistic panel

Split shirt tail construction or optional no tail

Standard concealable ballistic panels fit into Crossover Carriers

Available in MC shape

Available colors: Black, White, Navy & Tan

An Industry Standard

The **Standard** ballistic system has earned a reputation as the reliable "workhorse", capable of defeating high energy threats while providing lightweight wearability. Officers throughout the country trust this industry standard and continue to depend on it for their protection.
