

TROY PRODUCTS FORD INTERCEPTOR SEDAN CONSOLE

NEW 2012 CONSOLE

- CC-FDPI-14 Interceptor Sedan Console
- Features flat deck and pre-punched holes to accommodate U-shape computer mount
- 7" of face plate mounting in sloped area and 7" more at level area between the seats
- Bolts to TROY floor plate, AC-FDPI-MNT, included in console price. Punched with slot to facilitate installation of console.
- Designed to fit dashboard contours of new Ford Interceptor Sedan. Dashboard controls are accessible.
- Compatible with TROY's U Mount or Console Side Mount for laptops, docking stations, monitors, keyboards, iPads, etc.
- Same console model is available in other sizes: 16", 18", 20". TROY will customize to suit specific requirements.
- Ford Interceptor sedans have a column shifter so a variety of TROY consoles will fit and look great.
- When Ford Sync option is purchased, TROY will provide mounting for USB and iPod connections.
