

TROY PRODUCTS

Consoles For Ford Utility Vehicle

2012 FORD INTERCEPTOR UV

- TROY PRODUCTS has a variety of console choices for use in the new Ford Police Interceptor Utility Vehicle
- We have console designs for all remote-head/low-profile accessories and for applications with a mix of dash- and trunk-mounted equipment
- All console designs are compatible with the USB/auxiliary port module if you purchase Ford's "sync" option
- Bolt TROY computer mounting solutions directly to our rugged 11 gauge steel consoles for the strongest installation
