

TROY PRODUCTS TAHOE COMPUTER MOUNTS

High in quality, low in profile.

TROY PRODUCTS offers a Tahoe/Suburban-specific line of computer mounts: Console-side mount, TMC console-insert mount, and passenger-seat mount. Each is engineered to be strong, non-shaking and easy to use by both driver and passenger.

Side mount is bolted to console wall with four (4) bolts. Easy to install!

Console-Insert Mount with Slide Arm (17" reach)

Console-insert mount bolts to 7" sloped area of TMC console. Remove rails and re-use same bolts to install.

Console-Insert Mount with Swing Arm

Passenger-Seat Mount with Slide Arm

PASSENGER-SEAT MOUNT FEATURES:

- Bolts to passenger seat bolts
- Stabilizing strut mounts to the rear seat bolt (extra strength)
- No brackets in passenger space!
- 9" sliding swing arm rotates 360° and locks every 30°
- Arm slides 8" (17" reach). Locks anywhere along travel length.
- User can adjust computer to a comfortable position
- Computer can be accessed from outside the vehicle on passenger side, when necessary
- Pedestal is height adjustable to create a low profile
- Can accommodate mounting of laptops, docking stations and two-piece screen and keyboard combinations
- All TROY computer mounts are shipped pre-assembled!
