

# TAHOE FRONT & CARGO PARTITIONS

*Officer-Safe, Side Curtain Airbag Compatible Designs*

## FRONT PARTITIONS

TROY PRODUCTS offers the most officer-safe, side curtain airbag-compatible partition on the market! Our unique mounting kit keeps detainee from accessing officers and allows full deployment of side curtain airbag!

*See TROY website home page to view airbag test video.*

We offer five window models. The photo (right) shows our sliding window type.

Partitions are available in a flat or recessed Stash-n-Stow model to accommodate dual gun mounts.

The Tahoe/Suburban partition transfers to Chevy, Ford and Dodge Ram heavy-duty trucks as well as to a Ford Expedition SUV. You need order only a mounting kit!

## CARGO PARTITIONS

TROY Tahoe cargo partition features/benefits:

- No drilling or cutting required to install it!
- Base channel bolts to rear OEM seat bolts
- Upper brackets bolt to OEM coat hooks
- Installation is quick and easy.
- Window area is diamond-punched
- Polycarbonate window substitutes are sold as an option, if preferred
- Same partition works in Suburban, but different mounting kit is required
