

The Industry's First Intelligent Dock

LED CO-CHARGE GUARD'S NEW CFX2 TuffDock is the most intelligent, lightest, strongest Panasonic dock on the market providing the safest, most reliable solution for mobile computing applications.

Improves productivity

by reducing downtime with onboard diagnostics allowing remote troubleshooting.

Smallest Footprint

and lightest weight of any comparable product, taking up less cabin space than any other dock currently available.

Tested to the highest standards

in the industry, above and beyond Toughbook™ standards.

Compatible with any Panasonic CF30, CF29 and CF28 Toughbooks
