

TWO-PIECE ADJUSTABLE CONSOLE

This new console fits a wide variety of vehicles. The top piece can be adjusted between one to four inches to fit over varying equipment sizes. The sloped area features aluminum rails sized to accommodate a maximum of 12" of face plates. The top surface is flat and an ideal place to mount a computer. Using TROY's new U-mount solution, you can install a laptop, laptop with docking station or two-piece computer system – now or later.

An optional 8" flat console is sold separately to add accessories such as an internal beverage holder, sun glass tray, lidded storage compartment, etc.

- The flat-top sloped console is two-piece for height adjustment
- Pre-punched with bolt holes to mount computer
 - Made from 11 ga. cold rolled steel, all-welded construction
 - Optional add-on console ideal for remote heads, beverage holder, storage, etc.
 - A very versatile design that looks good in sedans, trucks, SUVs
 - Works in column-shifter, bucket-seat applications
 - Will work in trucks with 40-20-40 seats if middle seat removed

Equipment sold separately. Some accessories additional.
