## FORD UTILITY VEHICLE CARGO MOUNT

### EASY ACCESS TO SPARE TIRE

Mount shown in down position

Mount supported by gas shocks to free hands to work with tire

UV weapons box (40" x 32" x 12") bolted to UV cargo mount and lifted to allow access to the spare tire located below cargo floor.

### AC-UV-CARGO-MNT Installed in new Police Interceptor Utility Vehicle

- Allows you to mount items in cargo area and still have easy access to the spare tire below
- Hinged cargo mount is 40.5" wide x 32" long and made from 14 ga. CRS. (Replaces OEM cover.)
- Includes two (2) 80-lb. gas springs to keep mount supported when lifted up (based on a 200 lb. load)
- Gas spring support capacity can be enhanced for extra heavy loads
- Mount features a hand hole to make it easy to lift and a "lip" at cargo rear. Lip is cosmetic cover for gaps and helps keep mount securely in place when vehicle is mobile.
- Mount is elevated to be level with cargo area rear trim. Sliding drawers/trays will clear OEM trim.
- Mount is excellent base to bolt:
  - Weapons boxes/storage cabinets (40" wide x 32" long x 12" box already available for UV)
  - Organizers
- Mount is pre-punched w/countersunk holes to bolt equipment trays to underside of cargo mount
- Installation time: Less than 15 minutes!
